If you use cables to start your car more than the key, it's probably time to go shopping.

A new car starts with an auto loan from Bellco Credit Union. You've put off buying a car for a while now. This is a great time to buy, especially when you consider Bellco for your auto loan. Advantages like the same low rates on new and used cars, longer more flexible terms, a simple application process, and approval within 24 hours make it easy to choose Bellco. It's never been a better time to replace your old car. And with a Bellco Auto Loan, we can help put you in the driver's seat.

Don't Quit When You're Quitting Cigarettes

Mark Twain supposedly said, "Giving up smoking is the easiest thing in the world. I know because I've done it thousands of times." But for most people, really giving up cigarettes is the most difficult challenge of their lives.

If you're looking for help on your quest to become smoke-free, consider these suggestions:

- **Set a date.** Don't just decide to stop smoking on a whim. Set a firm date so you can prepare yourself mentally and start tapering off, if that's your approach.
- **Know why you're quitting.** Some people write their own personal mission statements, citing health benefits, their family, and other compelling reasons to quit. Whether this is your style or not, be clear in your mind about why ending your cigarette habit is important to you.
- **Get support.** Many people can't quit smoking alone. Whether you join a support group or just seek counseling from your family and physician, enlist people to help you keep your commitment strong.
- **Exercise.** You'll relieve stress and help your body recover from years of tobacco use. Start out slowly, and check with your doctor.
- **Drink lots of water.** Water can help flush nicotine and other chemicals from your system and can satisfy your craving for something to put in your mouth.
- **Do what works.** Some people try burying all their cigarettes so they have to put a major effort into getting a smoke, or chewing dog biscuits when they feel like a cigarette. Don't go overboard, but find a solution that works for you.

Teen Services Updates in June

Please leave the following information: your name (including spelling); age; what category you want: **(B)** Babysitting, **(*)** Red Cross certified for CPR; **(L)** Lawn Care; **(S)** Snow Removal; **(P)** Pet/House Sitting; and **neighborhood you live in** (this is very important - we do 22 newsletters). **If you have renewed your information as of January 1st of this year, you do not need to call in an update.** Thank you.
